WHAT IS KIWANIS?

Kiwanis International is a volunteer based club "serving the children of the world". Since founding by Joseph C. Prance and Allen S. Browne in 1915, this organization has truly grown. It is now found in more 80 nations and has more than 600,000 members (including its family clubs such as Circle K, Key Club, etc). During this ceremony tonight, the Kiwanis Club of Point Pleasant is becoming a part of this meaning organization!

HARD AT WORK VOLUNTEERING...

POINT PLEASANT FEATURED AT DIVISION 4 GOVERNOR'S VISIT

BY KRISTEN FISCHER

One of the ways the New Jersey District of Kiwanis bridges the gaps between the district (state) and club levels is through the division. New Jersey has 10 Kiwanis divisions, with a few clubs in each. Each year, the New Jersey District Governor visits each division.

Point Pleasant has been assigned into Division 4 with other clubs including Greater Toms River, Brick, Greenbriar (Brick), Jackson, and Long Beach Island.

On Friday, Aug. 7, Governor Gordon Meth held a virtual Governor's Visit and Greater Toms River hosted it.

The State of the New Jersey District

It was fun to connect with other nearby clubs. The Greater Toms River club began their meeting, and then Governor Gordon talked about the state of the district. He discussed membership growth and highlighted how the clubs in the division contributed to district and international programs such as the New Jersey District Kiwanis Foundation and the Kiwanis Children's Fund.

Gordon mentioned that our club was newly chartered this year, and he gave a shout-out about our virtual Camp Kiwanis.

The Value of Connecting with Other Clubs

Overall, I had a great time attending. We got to connect with Gordon and each other, ask questions, and learn more about all the potential we have as Kiwanians.

It will be nice when we get to hold these events in person once again. Still, it was nice to interact with others in our division. You can learn so much from other Kiwanis members and get so many wonderful ideas. Plus, it's fascinating to see the traditions and programs other clubs have.

Hopefully, our club will have the opportunity to host a Governor's Visit in the coming years!
